HILLINGDON COUNCIL DEMONSTRATE THEIR COMMITMENT TO THE YOUTH OF THE AREA

By providing a brand new state-of-the-art sports complex to drive up achievement and strengthen the community!

For many years the 65 year old building on Field End Recreation Ground has struggled to provide a home for two well established sports clubs with a joint membership of 260 young people.

Thanks to the continued sound financial management of Hillingdon Council, Jem, Allan and Judy have secured funding of £1.4 million to provide these clubs with a modern state of the art sports facility.

On the left, Allan shows the managers, Fiona Donaghue of Bessingby Park Rangers FC and Sue Hobbs of Ruislip and District Amateur Boxing Club and their management teams an artists impression of the new club house and sports hall; they said, "This brilliant new building makes our dreams come true!"

HILLINGDON COUNCIL DRIVE FORWARD THEIR ROAD RESURFACING AND FOOTPATH RENEWAL IN SOUTH RUISLIP!

Jem, Allan and Judy here checking out the footpath improvements in Long Drive. This is part of Hillingdon Council's effective Road Resurfacing and Footpath Renewal Programme. We hope the residents are pleased with their footpath make-over to improve safety and the appearance of their environment.

RESIDENTS GET A SMOOTH SAFE JOURNEY TO THEIR LOCAL SHOPS....

One, Two, Three and the transformation was complete! Local residents Charlotte Pfiffer, Brian Sturges and their committee worked together with Ward Councillors and Hillingdon Council to improve the access alley between Royal crescent and Field End Road. Resident David Seaman said "I am delighted with the improvements made, with disability in mind, I can now travel safely on my motorised scooter to and from my local shops" – this is all part of Hillingdon Council 'putting residents first'.

Local residents David Seaman, Brett Langford Maureen Bonham, Fred Burley and Councillor Allan Kauffman admire the new safe surface of the alleyway that has transformed the alleyway for use of local residents and the wider community.
