

A New playground in West Drayton

Residents from The Brambles and Wise Lane estate have recently received a new play area.

This fantastic new playground is part of Hillingdon Conservative Councils continued investment in parks and open spaces.

Cllr Dominic Gilham heard from many residents about their wishes to have a safe, fun space in their locality and once again Hillingdon have delivered.

Cllr Dominic Gilham said "I know when speaking to local residents just how keen they were to see this area improved and the playground is a perfect solution."

New CCTV to combat flytipping

Residents in South Road have recently benefited from new CCTV to combat fly tipping following a campaign from Dominic Gilham and local residents.

Working along side residents and officers of Hillingdon Council, Cllr Dominic Gilham has secured the installation of four cameras to deter fly tipping in South Road.

Cllr Gilham said: "Many Bell Farm residents have been kind enough to notify me of the fly tipping in South Road. Hillingdon's Conservative run council have been pro-active in not just installing 2 CCTV cameras but also 2 automatic number plate recognition units to catch the culprits.

I encourage residents to continue to report incidences of fly tipping to me."

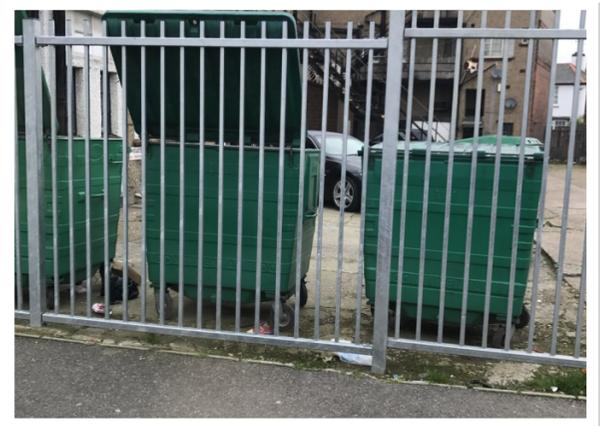

New alley gating in Cherry Orchard

New alley gating scheme completed.

After listening to the concerns of both residents and retailers, Cllr Dominic Gilham developed an alley gating scheme for Cherry Orchard and the shops of Station Road.

The second part of the scheme has just been installed and the local residents association, along with the shopkeepers, have once again been supported by this Conservative run Council.

Have your say on Heathrow expansion

There is another chance to express your views on the proposed 3rd Runway at Heathrow.

Please take the time to take part in the consultation currently being run by the Department of Transport. Cllr Dominic Gilham agrees fully with Cllr Ray Puddifoot, Leader of Hillingdon Council, when he said:

"We've told the government time and time again that a new runway at Heathrow will make already illegal air pollution levels around the airport worse, and cause damage to the environment and to the wellbeing of people."

If you require assistance in any council matters, please call Dominic on 01895 250316 or email: admin@hillingdonconservatives.org
