

SOUND FINANCIAL MANAGEMENT WITH HILLINGDON CONSERVATIVES

Across London, Labour councils charge higher council tax. Here in Hillingdon, we keep council tax and charges low so that local people can retain more of their hard-earned money. On top of this, we deliver first-class services that our residents have told us they value.

Local Conservative candidate, Kelly Martin, will be part of the strong Hillingdon East team who have a track record of putting residents first and keeping council tax low. Don't risk Labour destroying our Borough's finances.
