

# CONSERVATIVES CONTINUE TO INVEST IN ROADS AND FOOTPATHS

- Due to the Sound financial management of Conservative run Hillingdon Council, a record £6 Million is being invested in our roads and footpaths for this financial year alone

Local Councillors Wayne Bridges, Pat Jackson and Tim Barker have been successful in securing funds for resurfacing most of the roads across Hillingdon East and also a number of footpaths. Some of the Roads recently resurfaced include:

- |                  |                    |                 |
|------------------|--------------------|-----------------|
| ■ Granville Road | ■ Windsor Avenue   | ■ Redwood Close |
| ■ Baxter Close   | ■ Towers Avenue    | ■ Harrow View   |
| ■ Butler Street  | ■ Marlborough Road |                 |

Some of the footpaths we have also resurfaced include:

- |  |                              |
|--|------------------------------|
| ■ Heath Road   | ■ Footpaths in Elephant Park |
| ■ Pole Hill Park from Ryefield Avenue to Pets Corner |                              |
| ■ Path between Midhurst Gardens & Windsor Avenue     |                              |

## STAYING IN TOUCH WITH RESIDENTS

In addition to dealing with the many individual issues for residents in the past year, we have kept you informed throughout the last four years, as shown by the various In Touch leaflets we have delivered to your door.

As either local Councillors or Conservative Candidates we pride ourselves on being able to influence the key decision makers at the Civic Centre.

Our record is about **Action and Delivering more for less** - unlike our Political opponents who offer no alternative but just talk and finger pointing.

We believe residents expect us to be active throughout our term of office and not just a few weeks before elections.

## INVESTING IN OUR PARKS AND OPEN SPACES

- More funding has been secured by your Conservative Councillors, including the refurbishment of two local playgrounds

Playgrounds in Brighton Close and Elephant Park are currently in the process of undergoing refurbishment, this follows the successful refurbishment of the children's playground for Pole Hill Park in 2012.

A consultation was recently held at Oak Farm Library for local residents to attend and choose the design of their choice. In addition to refurbishing Playgrounds we are also investing in new initiatives such as Outdoor gyms to accommodate the needs of all age groups in our community.
