

## PUTTING HILLINGDON RESIDENTS FIRST

A message from Cllr Ray Puddifoot

Despite all the doom and gloom about reductions in government funding for council services and facilities in other authorities, during the last four years in Conservative Hillingdon we have gone from strength to strength.

As well as continuing to invest in our libraries, schools, roads, leisure facilities and parks and open spaces, I have recently announced that once again there will be no increase in Hillingdon's Council Tax. All residents will see tax frozen until 2016 and for those over 65 tax is frozen for five years until 2019.

It has never been more important than now to have sound financial management in Hillingdon, which is why it is essential that a proven Conservative Administration is returned at the local elections on 22nd May.

There remains tough financial challenges ahead of us and there is simply no other political party in Hillingdon that comes close to our track record for financial management and the delivery of services and facilities that our residents tell us are important to them.

## CONSERVATIVE HILLINGDON FREEZES COUNCIL TAX AGAIN

### ■ Twelve Year Council Tax Freeze for Over 65s

Conservative Hillingdon Council has recently announced that it will retain a freeze on local Council Tax until at least 2016, and until 2019 for the over 65s.

Those households with at least one person over 65 since the Council Tax freeze began in 2007 will have saved £900 by April of this year, and will continue to save over the next four years due to the **SOUND FINANCIAL MANAGEMENT** of the Hillingdon Conservative Administration.

**REMEMBER**

Only Conservative Councillors have the ability and commitment to deliver both strong financial management and services for our residents.

All Hillingdon Council Tax payers will see their Council Tax frozen for at least a further two years - seven years in total.
