

# WEST DRAYTON ROADS, THE RESURFACING CONTINUES

Your local Conservative team have been out and about all year round talking to residents and listening to their views. We have lobbied the key decision makers to get more West Drayton roads resurfaced.

We have managed to secure the funding for additional West Drayton Roads to be resurfaced. Cllr Gilham said "West Drayton Park Ave, Money Lane and East Rd can join Brooklyn Way, Old Farm Road, Bellclose Rd, Fairway Ave, Elruge Close and many more, as West Drayton roads that have been resurfaced in the last 12 months . This shows we continue to put our Residents first."

## CHANGES TO THE WEST DRAYTON TEAM

Last year I asked the Selection Panels set up to choose the Conservative candidates for the Local Elections to provide me with the best possible team for the tasks that lay ahead of us as a Council

In West Drayton ward Cllr Paul Buttivant was not reselected and Cllr Mike Bull opted for a well deserved retirement.

The new team of Cllr Dominic Gilham, Barry Hartness and Naman Purewal make up, not only a strong ward team, but will assist both myself and the Conservative Administration in continuing to provide the services and facilities valued by our residents in the years of continuing financial cuts from Central Government that still lay ahead of us.

Cllr. Ray Puddifoot MBE  
Leader of Hillingdon Conservatives

# RECYCLING INCREASES ACROSS WEST DRAYTON

In our last in Touch we mentioned the new food recycling bins and many West Drayton residents got back to us with requests to join the scheme.

So if you wish to take part, just give us a call, an email or a text and we will do the rest. The 'fox proof' bin and kitchen caddy are proving very popular. One resident, Patrick of Ruffle Close said "No more split bags in the street and I am helping the environment too."

# WEST DRAYTON MAY FAYRE RETURNS

Last year saw the return of West Drayton's May Fayre. The Green will once again be the venue on Saturday 3rd May for this fun filled day. Barry said "Save the date as this event is not to be missed" I know it will be even bigger and better than last year."
